Case No. 2:16-cv-03039-JCM-NJK

ORDER

(Docket No. 28)

14 Pending before the Court is a joint motion to stay discovery. Docket No. 28. The Federal
15 Defendants filed a response in opposition, and Plaintiffs filed a reply. Docket Nos. 31, 32. In
16 conclusory fashion, the parties dispute whether Plaintiffs may proceed with their claims against the
17 Federal Defendants through the filing of an amended complaint following exhaustion of administrative
18 remedies. *See* Docket Nos. 31, 32. The Court declines to address that issue based on the undeveloped
19 briefing submitted. Indeed, perhaps because it was improperly filed as a “stipulation,” *see* Docket No.
20 30 at 1 n.1, the joint motion contains no legal authority or analysis of any kind, *see* Docket No. 28.

21 Accordingly, the Court **DENIES** without prejudice the joint motion (Docket No. 28) for failing
22 to submit points and authorities. *See* Local Rule 7-2(d).¹

23 IT IS SO ORDERED.
